Spiritual Leaders of Influence

Core Class

NEXT GENERATION

This course is an intensive deep-dive into what God's Word has to say on leadership. Students will experience God through a personal relationship with Him on a journey to Spirit-led servant leadership in the home, the church, and the global marketplace. "Called by God," "Conformed by God," and "Commissioned by God" are the three areas of focus. The course culminates with a presentation made by students, "My Life as a Spiritual Leader of Influence in the Marketplace."

Bible-based teaching designed to address the demands that Next Generation business leaders face

Real-world business case studies drawn from the lives of CEO Forum Leaders

RETURN ON INVESTMENT

"The 3 years I spent in SLI were life-transforming. The exceptional teaching and the personalized discipleship by a successful CEO enabled me to better understand how I could honor God in my career and be a true spiritual statesman. I have such fond memories of how God used my time in SLI to mold me into the leader, husband and father he created me to be. Every Christian CEO needs to make the time to go through SLI."
